

Welcome  
to the

# Health Sciences Library

UNC  
UNIVERSITY LIBRARIES

[hsl.lib.unc.edu](http://hsl.lib.unc.edu)

The Health Sciences Library (HSL), one of the nation's leading health sciences libraries, connects people with knowledge and information to help them make informed health care decisions, ensure quality health care, teach and learn effectively, and conduct vital research. The HSL supports the department of Allied Health Sciences; the schools of Dentistry, Medicine, Nursing, Pharmacy, and Global Public Health; UNC Medical Center; and the statewide Area Health Education Centers (NC AHEC).

## Using the HSL

### Access

All are welcome to use the HSL and its online resources. Visitors may use public computers on the 1st Floor by requesting a guest pass at the Service Desk. Guest wireless access is available throughout the building. The HSL offers free self-service scanners and fee-based printers and copiers. North Carolina residents may purchase a borrower's card. See [hsl.lib.unc.edu/cards](http://hsl.lib.unc.edu/cards).

### Individual and Group Study Spaces (Floors 1-4)

Students can reserve or drop in to use group study rooms, or opt for quiet study in the basement or on the 4th Floor. See [hsl.lib.unc.edu/spaces/study](http://hsl.lib.unc.edu/spaces/study).

### Classrooms and Meeting Spaces

University affiliates may reserve classrooms and meeting spaces in the library. See [hsl.lib.unc.edu/reserve-room](http://hsl.lib.unc.edu/reserve-room).

### Explore: Exhibit Spaces and Sam W. Hitt Medicinal Plant Gardens

Rotating exhibits feature art and items from the HSL's collections. Gardens around the HSL feature plants with therapeutic uses.

### Benson Reid Wilcox Historical Collections Reading Room

The reading room is available by appointment for viewing special collections materials. See [hsl.lib.unc.edu/specialcollections](http://hsl.lib.unc.edu/specialcollections).

### Friends' Café

Study, collaborate, or reenergize in a friendly, comfortable environment.

## Featured Services and Collections

### Meet Your Librarian

More than 25 knowledgeable subject experts can help you identify and manage information for patient care, education, research, or community outreach. See [hsl.lib.unc.edu/meetyourlibrarian](http://hsl.lib.unc.edu/meetyourlibrarian).

### Research Guides

Find resources, learn how to use information discovery and management tools, and master media design software and projects with more than 130 HSL guides. See [guides.lib.unc.edu/HSLGuidesDirectory](http://guides.lib.unc.edu/HSLGuidesDirectory).

### Systematic Reviews

HSL experts can guide you through all stages of the systematic review, from developing and refining topics, to creating comprehensive literature searches, to searching grey literature. See [guides.lib.unc.edu/systematic-reviews](http://guides.lib.unc.edu/systematic-reviews).

### Health Technology and Informatics

If your research involves visualization, usability, analytics, or electronic health records, HSL experts can consult or partner with you. The HSL also supports digital health applications and collections, and mHealth content.

### NC Health Info and Consumer Health

NC Health Info is the HSL's online guide to reliable consumer-oriented health and medical information. See [guides.lib.unc.edu/consumer-health](http://guides.lib.unc.edu/consumer-health).
